

Incentives & Development Resources

Incentives

Incentives are project-based. Projects should be in alignment with the city's vision and strategic plan.

Tax Increment Financing (TIF)

Financial tool used to create future tax increment as revenue to finance current improvements that will create future taxes. A project meeting is mandatory to initiate TIF discussions and must be project based. Please contact our office to initiate your project and see if it qualifies.

Contact: EDCMC | info@edcmc.com | 219-873-1211

Tax Abatement

An incentive available for Real & Personal Property, (i.e. land and equipment) for new or existing businesses. Tax abatement is defined as the reduction of, or exemption from, taxes granted by a government for a specified period, usually to encourage certain activities such as investment in capital equipment (which includes buildings).

Tax Abatement Guidelines

Forms CF-1, 103-ERA, and 103-LONG must be completed in the tax abatement process.

Forms can be located at: [Dept. of Local Government Finance](#) under the "Personal" tab.

Please contact our office to set up a meeting to initiate the application process. City Council approval is necessary before your project starts. Our office will coordinate with your company to prepare application and presentation for recommendation to the Common Council.

Contact: EDCMC | info@edcmc.com | 219-873-1211

Commercial Facade Grant

Available through the City of Michigan City's [Redevelopment Commission](#).

Applicable for siding, windows, and doors. No roofs. There is also an "Extended Use of Facade Grant" for items permanently attached to the building. Facade Grant application must be filled out first before discussions of extended use occur.

Contact: City of Michigan City | Dept. Of Planning & Inspection | 219-873-1419

Updated December 2, 2025

Liquor License

Liquor Licenses are tied to the buildings in Michigan City. Cost is \$1,000/year and must be renewed annually. Establishments must be opened year-round and full service.

Tenant must have signed a lease or officially purchased a building before going through liquor license application process.

Contact: City of Michigan City | Dept. Of Planning & Inspection | 219-873-1419

Upper Story Residential Grant

Reimbursable grant for assistance with **converting** upper stories of commercial buildings into apartments and can receive \$15,000 for up to 8 units.

Must be a new, truly livable space. Not a renovation program. Typically has a 1-time use.

Land must be zoned commercial.

Foreign Trade Zone

A company located within an FTZ does not pay duties or personal property taxes on goods stored within the zone. Zone status provides the following benefits:

1. Duty is deferred on imported goods admitted to the zone, thus improving cash flow for the company.
2. No U.S. duty is assessed when exporting goods from the zone.
3. Processing goods within the zone can eliminate or lower tariffs.
4. Duties can be avoided on defective or damaged goods by inspecting and testing imported goods within a zone.
5. Savings may be realized in transport insurance.
6. Inventory stored in a Foreign Trade Zone is exempt from local property taxes.

Please contact the EDCMC if you are interested in utilizing the FTZ designation as our office works closely with the Ports of Indiana and/or South Bend Airport to designate subzones in Michigan City.

Contact: EDCMC | info@edcmc.com | 219-873-1211

HUBZone Program

A program from the U.S. Small Business Administration. Encompassing most of the North & East portions of the city, the HUBZone Program helps small businesses gain preferential access to federal procurement opportunities. These preferences go to small businesses that obtain HUBZone certification in part by employing staff who live in a HUBZone. To view Michigan City map, please click below:

Funding

Industrial Revenue Bonds

To facilitate a smooth application process for Industrial Revenue Bonds (IRB), the Economic Development Corporation Michigan City would like to assist you concerning your application. As no two projects are exactly alike, no two application procedures will be identical. A more detailed description of the process can be obtained through our office.

Contact: **EDCMC** | info@edcmc.com | **219-873-1211**

Conexus Indiana - Manufacturing Readiness Grants

Applications must be for a manufacturer planning to make capital investment in the form of smart manufacturing technologies within their Indiana operation. While there is no size limitation for applicants, small and medium-sized manufacturers (<500 employees) are heavily favored. The degree to which an applicant is a manufacturer (manufacturing intensity) and relationship to Indiana are also significant considerations.
